6. [] At Congressman Ogden Reid's request, I met with him to discuss a number of items. During the course of the conversation he brought up the retirement bill and offered to do anything he could to be of assistance. I indicated that I doubted that he could be helpful at this time although we were most appreciative.

7. [] Met with Representative Carl Vinson (D., Ga.) and invited him in the Director's name to a luncheon here at the Agency on Monday, 17 August. Mr. Vinson indicated that he was unable to commit himself until he would see the Whip notice tomorrow morning of next week's legislative schedule. In response to his query as to whether the luncheon would be early, he was advised that it would be scheduled for 11:45 so that he might return to the Hill at 1:00 if he so desired. I will confirm with Mr. Vinson in the morning.

8. [] Delivered to Mr. Ed Braswell, Professional Staff Member, Senate Armed Services Committee, the additional studies and updating of material required by the passage of the Government Employees Salary Reform Act of 1964. Although Mr. Braswell was pressed for time in preparing for the ROTC hearings before the full committee tomorrow, he did glance through the papers and requested that we advise him with regard to the additional cost of the program, if any, which would result from the estimate of the number of individuals included in the Grade Distribution of Estimated Retirements, but eliminated from the Comparison of Costs of Proposed CIA Annuities and set forth in footnote 1 to the comparison of cost chart. I advised Mr. Braswell that the figure would be provided.

9. [] Met with Mr. William Gullledge, Staff Director, Senate Post Office and Civil Service Committee, and briefed him concerning the Agency consideration of the retroactive salary adjustment questions. Mr. Gullledge was most appreciative of being brought up to date and indicated that he would finish his preparation as quickly as possible for presentation to the committee. He indicated that the committee would not be meeting during this week. We reviewed again the proposed wording which would provide the necessary authorization and in the light of current considerations made one clarifying change from the wording originally used in the 1958 salary adjustment act and agreed upon for use by the committee before the Salary Reform Act of 1964 was debated on the floor of the Senate.

10. [] Met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service Committee, and briefed him concerning the Agency consideration of the retroactive salary adjustment questions. Mr. Johnson indicated his appreciation of being kept up to date with regard to our activities.

11. [] Met briefly with Mrs. Edna Kelly and received from her a list of the names and addresses of the individuals referred to in our conversations of 4 August and 7 August. No action is required on this with regard to Mrs. Kelly. The list will be forwarded to CI Staff for their information.
